COME PARTY FOR CHARLEY

* Charley's Fund is named for 8-year-old Charley Seckler, first cousin of Jeremy Chase (Dalton '11). DMD is 100% fatal, and there is currently no treatment or cure. But there is hope. For the first time in the history of this devastating disease, several new treatments are on the horizon. Please help us expedite the medical research so Charley and thousands of children like him can see a better future.

**Please join us in supporting research for a cure
for Duchenne muscular dystrophy, the #1 genetic killer
of children worldwide.**
